

**WORLD'S
LARGEST
LESSON**

Family Activity Pack

In September 2015, 193 Global Leaders agreed on 17 Sustainable Development Goals. These Global Goals are focused on ending extreme poverty, fighting inequality and tackling climate change all by 2030.

This plan will only be achieved if everyone takes part, especially children, which is why the World's Largest Lesson aims to educate children and young people all over the world on the Global Goals. Here are some activities for you and your children to do at home.

worldslargestlesson.globalgoals.org/map

Activity 1

Can you guess what each of the Goals represent from the icons?
Have a go together.

(Answers on page 7).

Activity 2

What do you see through the Global Goals glasses?

Cut out and build your Global Goals glasses. Talk about what world you would like to see in 2030.

Take a photo and put yourselves on the map via:

Activity 4

Every plate tells a story but have you ever thought to stop and think.... What's on my plate? Where did this food come from? How sustainable is it?

Pick a meal to draw on your Global Goals plate and look back on the questions asked in Activity 3.
How do you rate your plate?

Rate your plate

Mark Here

<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Decide as a family what food choices you could change to help the Global Goals. What's your pledge?

"

...#WorldsLargestLesson"

PLEDGE

**I pledge to be fearless and kind
To be inclusive
To stand up for those who need my help
And to make a difference whenever I can,
wherever I can, because I can!**

I stand up for:

Draw a picture of what you will stand up for:

Or share your Be Fearless, Be Kind pledge online here:
